

# PARTNERS FOR SMART GROWTH

January 15, 2019

Dear Community Leader:

The Sixth Annual Jackson/Butts County Day at the Capitol is planned for Wednesday, February 27, 2019. This event is sponsored by Partners for Smart Growth in collaboration with the Butts County Chamber of Commerce, the Butts County Board of Commissioners, the Development Authority of Butts County and the Cities of Jackson, Flovilla, and Jenkinsburg. The purpose of this event is to connect with legislators and governmental officials who can have an impact on the success of Butts County.

This promises to be an important annual event that will serve to establish a presence at the Capitol as we plan for our progress. As members of this committee with others, we wish to invite you and your board to this day. Please make this event a priority as we need a great showing for the legislature, their leadership and the Governor. Your participation is vitally necessary for this day to be a success. A brief outline of important information is below and we look forward to seeing you on February 27th.
